**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Say NO to price hikes that will increase the cost of internet and telephone services.

We want more competition to lower internet price. US has one of the highest cost to connect to internet in the world!

We need broadband for work and run our business, it's not essential for us to be productive citizens.
